MATTE PORCELAIN

Dolce & Vita

Dolce & Vita is a call to design spaces where balance, creativity and inspiration coexist. It is design with soul. It is life to be enjoyed. Like a mineral surface softened by time, Dolce is a porcelain base with a refined aesthetic, where visual harmony and material calm reign supreme. With a subtle texture and a neutral palette inspired by cement tones, it combines effortlessly and integrates naturally. Dolce is composed of a solid and surrounding base that adapts without imposing itself, allowing the environment to breathe. Vita awakens the senses. It reinterprets terrazzo from a contemporary and expressive perspective, with fragments of colour that dot the surface like confetti on a canvas. Vita is background and protagonist, base and decoration.
